*** INTRODUCTION***

Parent's Teacher Association (PTA) is a formal organization of parents and teachers that is formed to get parents involved in their children's academics as well as to help and reform the school systems. The main focus of any PTA is to work for the prosperity of the school going children. PTA's provides parents and teachers a mutual platform to work for the betterment of the school, teaching and everything that influences the physical and intellectual growth of a child. PTA meeting helps both parents and teachers to involve and discuss and solve any particular issues they are facing. PTA provides a platform for parents and teachers to interact with each other for school, teaching and child development.

*** AIMS OF PARENT'S TEACHER ASSOCIATION***

Major aims and objectives of conducting PTA in the school are as follows:-

- To create better understanding between parents and teachers.
- To promote the welfare of children, in the school, home and in the community.
- Promote communication and collaboration between parents, teachers and school staff.
- The main objective of PTA is to work for the betterment of the school going children.
- To bring home and school in close contact.
- Participation and discussion of parents and teachers in PTA meeting helps in solving academic problems of students.
- To provide support for school events and others important occasions.
- To secure adequate laws for the care and protection of the children and youth.
- To solve the academic problems of the students.
- To encourage parents to become more involved with children's school.

NEED OF PARENT'S TEACHER ASSOCIATION (PTA)

Need for conduction of PTA meeting in the schools are many and some of them are listed below:-

- **It provides opportunity to talk about academic performance of each students.**
- **PTA brings parents into the equation that provides a fresh insight on the improvements that are needed.**
- **It improves home - school communication by providing two way communication between parents and teachers.**
- **It is also required to improve parental relationships and teachers get to know about student's home life.**
- **PTA can be a way to suggest change at their childs school.**
- **Through this meeting, the teachers get to know about the home life of the students.**
- **PTA is needed to rise funding which provides students with extra facilities.**
- **An open relationship between teachers and parents also support a child's social and emotional growth. Teachers can share observations about a child's behaviour at school.**
